For more information call our Hotline at 909-421-7222.

Our site is open extended hours (8:00 a.m. to 3:00 p.m.) on our **COMMUNITY CLEAN-UP DAYS**.

COMMUNITY CLEAN-UP DAYS =  for 2018 are
January 27, April 14, July 14 and October 27.

(Please Note: Community Clean-Up Days do not include FREE dumping at the landfill)

We will take:

Motor Oil and oil filters
Antifreeze
Weed Killer and Fertilizers
Household Cleaners
Latex and Oil Base Paints
Wood Preservative
Paint Thinner
Car Polish/wax
Furniture and floor polish
Auto and Household Batteries
Aerosol paint
Medicines – prescription/over the counter
Pesticides
Cosmetics/Nail polish and remover
Pet Care products
Fluorescent tubes and bulbs
Sharps/syringes (*in approved sharps container only - free containers are available at our site during regular operating hours*)

We cannot take:

Waste from any business
Asbestos
Explosives
Ammunition
Radioactive Waste
Contaminated Medical Waste
Abandoned Waste
Televisions
Computer monitors

For information on disposing of business waste and other non-acceptable waste, call San Bernardino County Fire, Hazardous Waste at 1(800) 645-9228.

Before transporting, be sure that:

- the waste is in the original container or is properly labeled for your safety and the safety of our workers
- the containers are not leaking and are sealed
- the total amount of waste does not exceed 15 gallons or 125 pounds
(up to 20 gallons of used oil is allowed, but in containers no larger than 5 gallons)

REMEMBER:

- * Save money and only buy the amount of product you need. If you can't use the product up, give it to someone who will use it as intended.
- * When possible, use less toxic alternatives to harsh cleaning chemicals.
- * Never mix chemicals together.
- * Keep the products in their original container – do not re-use food containers to store hazardous products.
- * Store supplies in a safe spot in the garage or house to prevent accidental spills, poisoning, or explosions. Look around and see what could fall in an earthquake. Keep products away from heat sources.
- * Dried paint and well drained containers are not considered hazardous and can be put in your trash (if you have any doubt – bring it to us!)
