For Residents of Loma Linda

Be a part of the team that makes San Bernardino County **GREEN!**

Recycle your OIL & OIL FILTERS for FREE

at any one of our 14 San Bernardino County Fire Household Hazardous Waste collection facilities

Recycling Motor Oil & Oil Filters Is the Right Thing to Do

- Dumping oil (or any chemical) is a crime – legally and environmentally
- Dumped oil contaminates ground water – our drinking water source
- Oil kills plant and aquatic life
- One pint of oil can create an acre-sized oil slick on surface waters

Facts to Remember When Recycling Oil

- Do not dump oil on the ground, in the gutter or storm drain, or throw in the trash
 - Do not mix anything with the oil
 - Drain your oil from cars, trucks, motorcycles, boats, recreational vehicles, lawnmowers, etc., into a reusable, sealable container.
- Call 1-800-Oily Cat for free oil container availability**

Before transporting, be sure that...

- Waste is properly labeled or in its original container
- The container is no larger than 5 gallons. Transport no more than 15 gallons or 125 pounds
- Containers are sound and not leaking

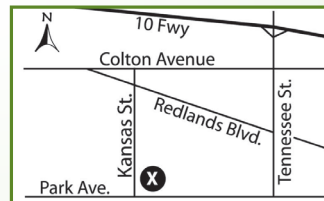

Call today to see how to get your FREE used oil container!

The following guidelines apply:

- Household Hazardous Waste ONLY
- San Bernardino County Residents ONLY
- Identification will be required
- Remain in vehicle at all times
