

San Bernardino County Fire Hazard Abatement Process Summary

- Initial property surveys are conducted in unincorporated areas of San Bernardino County as well as contract cities.
- A Notice and Order to Abate is issued to properties where fire hazards have been identified. There is a 30-day timeframe to comply.
- A property owner may appeal the Notice and Order to Abate within the 30-day compliance timeframe. There is a \$100.00 filing fee to appeal in which is refunded only if the appeal is successful.
- A second survey is conducted after the Notice and Order to Abate compliance due date.
- Non-compliant properties are issued a Notice and Intent to Abate notice following the second property survey. Non-compliant properties will also receive a \$100.00 administrative citation and a \$279.00 invoice for administrative fees related to the second inspection in a separate letter. The property owner has an additional 10 days from the Notice and Intent to Abate mailing date to contact our office and ,photographic evidence must be submitted to avoid the abatement warrant.
- The County will initiate action to abate fire hazards on the remaining non-compliant parcels after the 10-day additional grace period.
- An abatement warrant will be obtained if abatement is required on parcels with structures. The administrative cost of \$298.00 for warrant procurement and service is billed to the property owner.
- A work order is assigned to the County-approved contractor to abate the fire hazards on the non-compliant properties. The contractor completes the abatement and the property owner is billed for the work.
- An abatement invoice is generated and sent to the property owner of the non-compliant property for all outstanding costs, which may include: Non-compliance fee, Case Closure fee, Warrant fee, and County contractor abatement cost.
- A property owner may appeal the administrative citation and appeal the invoice up to 60 days from the billing date. There is an Appeal filing fee, which is refunded only if the appellant is successful in having all citation or invoiced fees rescinded.
- After 60 days of non-payment of the invoice, a \$123.00 late fee is assessed, and a lien may also be placed on the property with a \$182.00 lien release fee.
