Commercial building burns in Upland

By Nelson Espinal, Daily Bulletin

May 03, 2023

An Upland fire caused severe damage to a commercial building on Wednesday, May 3, firefighters said.

At around 2:42 a.m., **San Bernardino County Fire** Department crews were dispatched to the 500 block of North Mountain Avenue after callers stated smoke was coming out of a commercial building.

Upon arrival, San Bernardino Fire officers found heavy smoke and a large commercial fire. The two-story building was doing business as a frame gallery at the time of the fire, the fire department said on social media.

Crews initiated an interior attack to look for potential victims, but no injuries were reported, the fire department said.

Firefighters initially launched an offensive fire attack to try and suppress it. The fire continued to grow and the firefighters used ladder trucks and hose lines to combat the fire from the outside.

Fire crews later shifted their priorities to keeping the fire from spreading to surrounding occupancies.

The fire was ultimately brought under control in approximately two hours. The building received heavy damage as several structural collapses occurred, the fire department said.

The fire remains under investigation by San Bernardino County Fire Department investigators.

Fontana Days Parade and Car Show will be taking place on May 6

By Russell Ingold, Fontana Herald News

May 03, 2023

Young ladies held the Fontana Exchange Club banner during a previous Fontana Days Parade.

The 2023 Fontana Days Parade will be held Saturday, May 6, and this year it comes with an extra bonus: a special car show immediately following the event.

The annual parade, which is coordinated by the Exchange Club of Fontana, will begin at 10 a.m. at the corner of Sierra Avenue and Arrow Boulevard.

The parade will continue south to Orange Way and then will travel east to Mango Avenue and north to Arrow, ending up in front of Miller Park.

Tyler Allgeier, a Kaiser High School graduate who is a pro football player with the Atlanta Falcons, will be the grand marshal.

At the conclusion of the parade, the Fontana Days Car Show will take place behind Fontana City Hall in the east parking lot, 8353 Sierra Avenue.

Residents are invited to enter their vehicles in the car show. The cost to enter is \$35 per car. Awards, including a grand prize trophy, will be given out at 3 p.m. This event is separate from the Fontana Car Show, which will be held on May 5.

For more information about the car show, email paulc@swtoyotalift.com.

The parade is held separately from the Fontana Days Festival, which will take place at Veterans Park at the start of June.
