Fire erupts at recycling facility in Fontana on May 26

By Staff Writer, Fontana Herald News

May 27, 2023

The San Bernardino County Fire Department

A fire erupted at a recycling facility in southwestern Fontana in the early morning hours of May 26, according to the **San Bernardino County Fire Department**.

Crews were dispatched to the 10800 block of Etiwanda Avenue at 12:02 a.m. and found a large outdoor fire immediately threatening multiple big rigs and a warehouse. The blaze was burning in bundled cardboard materials at a recycling center, said Battalion Chief Mike McClintock.

Firefighters quickly surrounded the fire and deployed multiple hose lines and ladder pipes. Damage was limited to the pile of recycling product, and the trucks and warehouse were saved. No injuries were reported.

Crews remained on scene working on overhaul operations for multiple hours. The cause remained under investigation.

One Person Killed and Five Others Were Injured, Two Vehicle Crash On Northbound I-215

By Staff Writer, Pain In The Pass
May 28, 2023

SAN BERNARDINO, CA. (Pain In The Pass) >> One person was killed and six others were injured, including two children, after a car rear-ended a flatbed truck full of pallets early Sunday morning.

The collision was on the northbound side of Interstate 215 just before University Parkway exit. This collision happened at about 2:11am Sunday on May 8, 2023. California Highway Patrol and **San Bernardino Fire** County Department received calls of a silver Lexus ES 350 with major front-end damage, it had rear-ended a flat bed truck full of pallets that overturned. Three people were reported to be inside the truck and four people were inside the Lexus.

Firefighters rendered aid to all victims involved in the collision. One person was pronounced deceased at the scene. A female driver needed to be extricated out. Rescue crews said a total of six people were transported to a nearby hospital, this including a 3-month-old child. Three people suffered major injuries and the other three victims suffered minor injuries.

At this time it is suspected that alcohol maybe a factor. They reported there was open containers in the Lexus, but that is currently being investigated.

The identity of the person killed is being withheld pending next of kin notification.

We will update this story with more information when the CHP's preliminary accident report is available. Additional details were limited at this time. This incident will be under investigation by the California Highway Patrol Inland Office.
