OAK HILLS, Calif. (VVNG.com) — An elderly man was transported to a local hospital after his SUV overturned, leaving him trapped inside.

It happened at about 3:19 pm, on Tuesday, July 11, 2023, along the 6500 block of Caliente Road.

Based on preliminary reports, the Lexus SUV was in the parking lot of the Keller Williams Realty building and went over a block retaining wall, and landed on its side in the adjacent empty lot.

**San Bernardino County Firefighters** arrived on scene and extricated the male from the vehicle. As a precaution, he was transported by ground ambulance to a local hospital.

The cause of the accident is under investigation by the Hesperia Police Department.

According to the California Highway Patrol, the crash happened just after 3:28pm on Tuesday July 11, 2023. The crash was located on southbound I-15 about a mile before Dale Evans Parkway exit. CHP said there was only one vehicle involved, a white Toyota Sienna mini-van.

The blown tire caused the Toyota to overturn, coming to a rest on the driver's side a witness stated.

Responding officers and rescue crews from **San Bernardino County** and Victorville Fire Department requested two medical helicopters to transport two people with unspecified injuries. Reach Air Medical helicopter #13 and #43 landed near the scene. The two people were transported to Loma Linda University Medical Center.

CHP traffic log reported that one of the victims sustained major head injuries. It was reported at least six people sustained major injuries. The other four victims were transported by ground ambulance to a local hospital.

We will update this story with more information when the CHP's preliminary accident report is available. Additional details were limited at this time. This incident will be under investigation by the California Highway Patrol Barstow Office.
