August 28, 2023

HESPERIA, CA. (Pain In The Pass) >> No injuries were reported after a SUV caught fire just off of Interstate 15 in Hesperia.

California Highway Patrol, CAL FIRE and San Bernardino County Fire Department firefighters were getting calls to the scene of a vehicle on fire on northbound Interstate 15 in the right shoulder just before the Rancho Road exit. The vehicle fire was reported just before 8am on Monday August 28, 2023, with flames coming from the engine compartment.

California Highway Patrol and firefighters were on the scene to work on getting the vehicle fire put out. They had to temporary shut down the slow lane. The vehicle was reported to be a white Ford Explorer Everybody did escape the vehicle before it became on fire. Firefighters were able to stop the flames the engine compartment.

No injuries were reported at the scene. The cause of the vehicle fire is unknown at this time.

California Highway Patrol, San Bernardino County Fire Department, and San Bernardino National Forest firefighters were on scene of a semi over the side on fire. The semi was located on northbound Interstate 15 near the Oak Hill Road exit about 60 feet down the embankment. The semi crash/fire happened on Monday about 2:43pm August 28, 2023. California Highway Patrol and firefighters were on the scene and had to temporarily shut down the slow lane and the # 3 lane while they worked on getting the semi and vegetation put out.

The cab of a semi was fully engulfed with flame, the trailer was intact with no fire damage. The fire burned about one acre of vegetation.

The driver escape the semi before it became fully engulfed. No injuries were reported at the scene.

Traffic was jammed at the top of the Cajon Pass this afternoon.

This incident will be under investigation by the California Highway Patrol Inland Office.

HESPERIA, Calif. (VVNG.com) — A semi truck went over the side of the 15 freeway Monday afternoon, causing a fire that spread to vegetation.

It happened at 2:41 p.m., August 28, 2023 on the northbound Interstate 15, just south of the Oak Hill Road off-ramp.

San Bernardino County Fire and the US Forest Service responded and located the cab of a semi truck fully engulfed with fire.

The driver of the semi truck was not injured during the incident.

Firefighters were able to stop the forward rate spread, and contained the vegetation fire to 1-acre.

The #4 lane was closed for cleanup, affecting traffic on the northbound side.

The cause of the incident is currently under investigation by the California Highway Patrol.
