San Bernardino, California (June 22, 2021) – Two people were airlifted after being injured in a car accident in Adelanto on Monday night, the California Highway Patrol reported.

The car crash occurred at the intersection of Palmdale and Aster Roads at about 11:34 p.m. June 22.

The CHP officers and personnel with the **San Bernardino County Fire** Department who responded to the incident located a white Hyundai and a black Corolla at the scene of the accident. The events leading up to the collision were not immediately established.

3 Injured in San Bernardino Car Crash at Palmdale Road and Aster Road

A female driver was trapped inside the white Hyundai.

At least three people were injured in the crash and two were flown to Arrowhead Regional Medical Center for treatment.

Additional information about the accident was provided.

The Victor Valley Sheriff's Station is investigating the accident.

LUCERNE VALLEY, Calif. (VVNG.com) — A woman injured in a Tuesday morning crash in Lucerne Valley was airlifted to a trauma center.

According to the California Highway Patrol incident logs, the three-vehicle traffic collision was reported at 10:17 am, on State Route 18, near Buena Vista Road on June 22, 2021.

CHP incident logs reported a woman injured in the crash was hunched over and having trouble breathing. San Bernardino County Fire requested a helicopter to airlift the patient to an out-of-area trauma center.

The accident prompted east and westbound lanes of the highway to be blocked as officers investigated and tow trucks worked to clear up the scene.

The cause of the accident is under investigation by the California Highway Patrol.
