CAJON PASS, Calif. (VVNG.com) — Only minor injuries were reported after a crash in the Cajon Pass caused one of the vehicles to erupt into flames.

At about 12:22 am, on Saturday, July 3, 2021, the California Highway Patrol incident logs reported a two-vehicle crash on the northbound I-15, just before Oak Hill Road. According to the logs, one vehicle was on fire and the other, a white 2017 Hyundai Elantra was stalled in the no.2 lane with major rear-end damage.

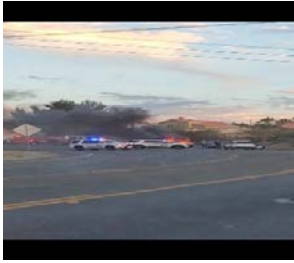

All occupants were able to exit the vehicle and only minor injuries were reported. The incident prompted a temporary closure of the 1, 2, and 3 lanes. The cause of the accident is under investigation by the CHP Victorville station.

VICTORVILLE, Calif. (VVNG.com) — One person was killed, and another was airlifted after a fiery crash Friday in Victorville.

At about 7:47 pm, on July 2nd Victorville City Fire responded to the area of Village Drive and Air Express Way and reported a two-vehicle crash with one of the vehicles overturned and fully engulfed with fire.

One person was pronounced deceased at the scene and a helicopter was requested to airlift another person to Loma Linda University Medical Center.

Village Drive is expected to remain closed in both directions while the Sheriff's Major Accident Investigation Team handles the investigation.

This is a developing story and additional information will be updated as it becomes available.
