San Bernardino County, California: The **San Bernardino County** Fire District has promoted and assigned 15 new fire captains throughout the county in February 2022.

According to the **San Bernardino County Fire** District, each new **San Bernardino County Fire** District Fire Captain has previously worked in many capacities within **San Bernardino County Fire**, but most recently as Engineers throughout the Fire District.

Prior to being eligible for Fire Captain each candidate must be an Engineer, have completed ten California State Fire Marshal Company Officer classes and a preparation class to ready them for the position.

Their well-deserved promotions come after a rigorous testing process including; fire simulation exercises, oral examinations and interviews. Fire Captains are tasked with --supervising 3-7 employees daily at a local fire station and oversee a fire engine or truck company.
