**ORO GRANDE, Calif. (VVNG.com)** — Authorities are investigating a fatal crash involving a vehicle and a train in the community of Oro Grande.

It happened at about 8:41 am, on April 14, 2023, in the area of National Trails Highway and Robinson Ranch Road.

According to the California Highway Patrol incident logs, a black or gray Volkswagen bug was on the tracks prior to the crash.

First responders with **San Bernardino County Fire** responded to the scene and reported they had a confirmed fatality.

BNSF was advised of the investigation and both train service through the area is temporarily halted.

The investigation is ongoing and additional information will be updated as it becomes available.

# One Person Airlifted After SUV Smashed Into Semi Tractor-Trailer, Which Overturned On I-15 Friday Night

By Staff Writer, Pain In The Pass  
April 14, 2023

**BAKER, CA. (Pain In The Pass)** >>Emergency crews responded to a wreck involving two vehicles on Interstate 15 near the town of Baker Friday night.

California Highway Patrol and **San Bernardino County Fire** Department received calls of a collision on northbound Interstate 15 about 7 miles after the Kelbaker Road exit. The collision happened at about 8:26pm Friday, April 14, 2023.

The two vehicles involved was a black unknown SUV and a semi tractor-trailer. The SUV reportedly rear-ended a semi at highway speeds and rolled over into the #1 and #2 lanes. The SUV reported had two people inside trapped.

Firefighters rendered aid to both people inside the SUV. Both need to be extrication out. Rescue crews requested at least one helicopter to transport one with unknown injuries. One person was transported by Mercy Air #24 to Sunrise Hospital Medical Center in Las Vegas. The other person was transported by ground ambulance.

We will update this story with more information when the CHP's preliminary accident report is available. Additional details were limited at this time. This incident will be under investigation by the California Highway Patrol Barstow Office.
